Dumpster Permit Application General Submission Requirements

§ 243- 15. **Placement on sidewalks, streets and highways.**

The placement of a dumpster and/or construction container upon a sidewalk, street or highway within the City of Perth Amboy by persons other than the agents or employees of the city is hereby prohibited unless:

- A. The dumpster and/or construction container shall be equipped with and display markers consisting of all yellow reflective diamond-shaped panels having a minimum size of eighteen (18) inches by eighteen (18) inches. These panels shall be mounted at the edge of the dumpster or container at both ends nearest the path of passing vehicles and facing the direction of oncoming traffic. These markers shall have a minimum mounting height of three (3) feet from the bottom of the panels to the surface of the roadway. [Amended 1-10-01 by Ord. No. 1083-2001]
- B. There is no defect or faulty design in the dumpster and/or construction container which would create a hazard to the general public.
- C. The placement of the dumpster and/or construction container which must have the specific approval of the Department of Code Enforcement of the City of Perth Amboy shall not block the flow of vehicular traffic or pedestrian traffic and shall be covered and loaded in such a manner as to cause its contents not to spill onto the street or sidewalk areas.
- D. The use of the dumpster and/or construction container will not create offensive odors or a health hazard.
- E. The dumpster and/or construction container is conspicuously marked with the name and address of its owners.
- F. A permit for the placement of the dumpster and/or construction container is obtained from the Department of Code Enforcement of the City of Perth Amboy pursuant to this chapter, and evidence of such permit is displayed conspicuously on the property of the applicant by means specified by the Department of Code Enforcement.
- G. The movement of a loaded dumpster onto other than construction property or city street is prohibited.

§ 243- 18. **Permit fee.**

There shall be no required fee for garbage disposal dumpsters. A fee of twenty-four dollars (\$100.00) per week shall be required for construction dumpsters.

§ 243- 19. **Insurance.**

Each application for a permit authorized under this chapter shall be accompanied by a policy or certificate of insurance, including the applicant and the city as named insured and evidencing general liability coverage to protect the public from bodily injury or property damage sustained as a result of the use of such dumpster and/or construction container. Such policy or certificate shall contain limits of at least one hundred thousand dollars (\$100,000/ \$300,000) for bodily and fifty thousand dollars (\$50,000) for property damage and shall provide at least thirty (30) days' notice of cancellation to be afforded to the Construction Official of the City of Perth Amboy.
